

Sonora Bach Festival

est. 1976

Dear Music Lover,

Forty-Seven Years! Forty-Seven! That's how many years the Sonora Bach Festival has been a thrilling and inspiring influence in the Central Sierra Foothills. Now, as we embark on our Forty-Eighth festival this October, we plan to provide another quality festival with the very best in classical instrumental and vocal music and performances that include our wonderful local performers—young and older—as well as regionally and nationally known guest artists.

The Sonora Bach Festival Board is asking you to donate now to help sustain this unique foothill event.

Ticket sales support only a portion of the costs we incur for our Youth Concert; our Salon Concert; our Locals' Concert and Bach's Brunch. The board is busy throughout the year seeking artists; negotiating fees; writing grants; fund-raising; and acquiring program advertisements to reduce our costs. Our expenses include: youth awards given to each student selected for the Youth Concert; guest artists' fees; facilities fees; printing and publicity costs; food costs for the Salon, Brunch and Youth reception; and other miscellaneous concert expenses such as instrument tuning.

Please be a part of this year's success by donating today. As a 501(c)(3) organization, your contribution is tax deductible to the extent allowed by law. You can contribute by check to Sonora Bach Festival, P.O. Box 4583, Sonora, CA 95370; use PayPal on our web site, Sonorabach.org, or simply contribute now by using our Venmo QR code below.

Sonora Bach Festival
@Sonorabach

Thank you for your consideration and support. We look forward to seeing you at the festival this "Bachtober".
