The Sonora Bach Festival 2025 celebrates its 49th year. And we have been successful, in part, because of generous financial supporters. We are contacting you to ask for your financial contribution to help us continue the tradition.

This year's festival offers four events in October: The Youth Auditions and subsequent Youth Finalists' Concert; the Salon Concert with performers invited from afar; the Locals' Concert featuring our finest classical musicians in the community; and the Brunch with fine food, great company, and delightful, live music.

We are a "user-friendly" festival. Our venues are small. Our concerts feature people you know. Our guest artists always break the third wall by talking to the audience; informing them of the music; and explaining their instruments.

We continue to be successful after 49 years. But we also need to sustain our "good health" as an organization that produces concerts for the Central Sierra Mother Lode. Production costs include scholarships to participating youth; guest artists fees; facilities rental fees; printing costs; publicity; insurance costs and catering fees.

Please help us with this effort through your generous donation. Your tax-deductible gift will help to perpetuate this month-long festival and sustain the nurturing of cultural diversity in our community.,

The festival will accept your donation by check or cash. You can also use our QR code below, which accesses our Venmo account. Thank you in advance for any support you can give us.

Sincerely.....

Sonora Bach Festival
